

COACHING & CONSULTING SERVICES

It's been said that our **#1 PURPOSE AS THE BODY OF CHRIST IS TO BUILD GOD'S FAMILY**. We see this primarily displayed within the church as it fulfills its role via both *evangelism & discipleship*. It is as we invite others into God's family through evangelism that discipleship can naturally take place within that family.

SO WHAT WAS "JESUS FORMULA" FOR EVANGELISM & DISCIPLESHIP?

"Pointing to his disciples, he said, "Here are my mother and brothers." Matt. 12:49. Jesus also said, "Follow me." (Matt. 4:19) as He taught them *DAILY* both on route and in the temple (Luke 21:37). This was ultimately the *way of Jesus* for building God's family.

➤ CHALLENGE

In most cases, the evangelism that takes place within church settings centers around a message and its accompanying music, *yet most church participants have actually already been evangelized*. Further, *typical church services occur for approximately 2 hrs/max, 1x/wk*, which unfortunately does not make for good discipleship nor a strong, healthy family. Though regular church gatherings can still provide a sense of community, overall many churches have experienced a *decrease in church attendance*, which has further eroded the prospects within both evangelism and discipleship.

➤ SOLUTION

As the understaffed church already has its hands full serving the various needs of the people, we are essentially proposing to come alongside the church and **bring the church & God Himself back to you** by helping equip the body of Christ *to be the church outside of church*. As a way of doing ministry & missions in your own backyard, we are attempting to help fill in the gap within both evangelism & discipleship via the following services:

CONSULTING SERVICES – "GO INTO ALL THE WORLD AND PREACH THE GOSPEL TO ALL CREATION." MARK 16:15

As a way of evangelizing and exposing "THE LOST" (LUKE 19:10) to the gospel, we continually invite others into God's family via our *support services offered within any existing space*. Plus, to *help saturate the atmosphere with the presence of God* within their space (*whatever it looks like!*), we set up streaming devices with ongoing soaking worship music &/or the audio Bible playing discreetly in the background, whether it be in their own home or the marketplace.

COACHING SERVICES – "...UNTIL WE ALL REACH UNITY IN THE FAITH AND IN THE KNOWLEDGE OF THE SON OF GOD AND BECOME MATURE, ATTAINING TO THE WHOLE MEASURE OF THE FULLNESS OF CHRIST." EPHESIANS 4:13

Our spiritual, interpersonal/relational and professional/vocational/mentoring coaching services both **disciple & equip** the body unto *faith & maturity (spiritually)*, help grow in *unity* as a church family (*interpersonally/ relationally*) & effectively become the light to the world around us *in full measure (professionally/vocationally/mentorship)*.

➤ **BONUS!!** **FORMAL FACILITY**

With this in mind, we are also looking to *establish a permanent facility that is fully equipped with all of the above services & more!* Because once you're in the family, you become part of a bridal company in which the bride (*body of Christ*) is being readied for her Bridegroom (Rev. 19:7). Therefore, **our ultimate goal is to get you to fall in love (Evangelism) & stay in love with Jesus (Discipleship)**. Because when you're in love, all you want to do is be with, follow & lay your life down for the one you love. This is where it all converges & all that really matters is living out of communion with your Beloved (*See Song of Songs*).
