

# PRAYER & MINISTRY SUPPORT AMBASSADORS

*"We are ambassadors for Christ, as though God were pleading through us." 2 Cor. 5:20*

As one of our primary aims is to saturate the atmosphere within any given space (*whatever it looks like!*) with the presence of God, for anyone who will simply commit to setting up our FREE streaming device with *ongoing worship music &/or the audio bible* playing discreetly in the background, we **freely offer prayer & ministry support** within their very own space! PLUS, for anyone desiring to see their space and those involved within that space thrive, we also provide complimentary TRAINING to become a "ministry support ambassador" **as a means of paying it forward.**

*AS WE GROW, we look forward to compensating our ambassadors for their invaluable service!*

## ➤ 🙏 PRAYER & PROPHETIC AMBASSADORS

As it is impossible to faithfully and effectively move forward without God's presence (Exodus 33:15), prayer and prophetic ministry are invaluable features we offer as part of support services. We gratefully covet the prayers and blessings of our ambassadors for all those seeking our services. Therefore, **if you have a heart and calling for listening to God and sharing his heart toward others, we would love to connect with you!** As a prayer and prophetic ambassador, your prayer covering, unceasing intercession, prophetic strategy, wisdom and counsel are all critical to the work and ministry that we do. Ministry options include, but are not limited to: ongoing remote prayer, onsite prayer and blessings over the various locations, and direct ministry support for all those involved.

## ➤ ❤️ HEALING AMBASSADORS

Whether it be physical or inner healing, help us facilitate the work of the Holy Spirit in hearts, minds and bodies. **If you are gifted, have been equipped or would like to be trained to minister healing to those seeking our services, we've got room for you!** Come be part of a team that helps participants replace false beliefs with God's truth, break free from physical, emotional &/or spiritual bondage, and heals broken hearts.

## ➤ 🎵 WORSHIP AMBASSADORS

As the musicians who led the procession before the ark of the covenant or the very presence of God, **if you are a minstrel or worshipper, consider ministering to God & others via our "live worship sets."** For interested proprietors with the capacity to accommodate within their designated spaces, we seek to have on-site anointed worshippers who will minister within these "sacred spaces" during allotted times.
