
CONSULTANTS & TRAINING HUBS

"But my life is worth nothing to me unless I use it for finishing the work assigned me by the Lord Jesus." Acts 20:24

*Finish
& THE
Race*
ACTS 20:24

WHO ARE THESE CONSULTANTS?

Similar to *SCORE*, (a resource to small businesses), our **consultants are mentors**, advisors and professionals providing guidance, assistance and direction within their field of expertise &/or experience. Consultants offer their skills and services by **giving back** and contributing their time and talents; and paying it forward via their **God-given design, gifts, wisdom & strengths!**

HOW DOES THIS WORK?

As we all have different interests, talents and treasures, our goal is to identify where we fall under each of these areas and **connect experienced professionals or mentors with interested learners or mentees**. It is one generation equipping, discipling and passing the baton down to the next. **Because we all have something to give and so we give out of what we have been given.**

Plus, TRAINING HUBS!!

"Train up [create an environment for life] a child in the way he should go [according to his individual gifts or bents, teaching him to seek God's wisdom and will for his abilities and talents], and when he is old, he will not depart from it." Proverbs 22:6

As one of our top priorities is to help equip & train up others **"according to their bent"** so that they may enter the workforce and life itself better equipped as true leaders within their own spheres of influence, some of our consultants have also partnered with us to help **"create an environment"** that is **both spiritually & professionally sustainable** within their very own space.

With support services ranging at a minimum from devoting or being intentional in inviting the presence of God into a space (*whatever it looks like*) to utilizing the space as a **satellite training hub of sorts**, *whether it be in the marketplace or your very own home*, we will set up consultants with as many support services as they can handle or are willing to partake of!

If you are interested in becoming one of our consultants or hubs, please do not hesitate to contact us!
