

# Wish List • JOIN US VIA YOUR LOVE LANGUAGE!!

*As they say we serve best via what we love, how about considering collaborating with us via your love language?*

It can be said that the **5 LOVE LANGUAGES** (**gifts, words, acts, touch, time**) are directly tied to what has been referred to as the “**5 FOLD MINISTRY**” **GIFTS** of Jesus (Eph. 4:8, 11). As part of your God-given design, these ministry gifts “*Christ himself gave as the **apostles, the prophets, the evangelists, the pastors and teachers**, to equip his people for works of service, so that the body of Christ may be built up.*” Eph. 4:11-12 Hence, consider your love language as Jesus’ unique ministry gift that not only best displays how you love and are loved, but how God designed you to freely serve, equip and build others up!

## LOVE LANGUAGES (“5-FOLD MINISTRY GIFTS”):

*This is how you can be involved & get compensated via your “ministry gifts of love” TODAY!*

- **GIFTS (“Apostles”) – STREAMING DEVICES** 📺

Any type of streaming device will help facilitate spaces’ startup, i.e. spare phone, tablet, etc. Plus, as generosity is one of the greatest apostolic **gifts**, we’re also seeking project partners, financial investors, one-time or recurring contributions &/or fulfilling portions of our wish list.

- **WORDS (“Prophets”) – LOTS OF PRAYER!!!** 🙏🙏🙏

**Get paid to pray!** Foundational to any endeavor, the gift of **words** specifically via prayer, intercession &/or prophetic ministry are undoubtedly essential to the success of our project.

- **ACTS (“Evangelists”) – MATERIAL DISTRIBUTION** 🦶

As evangelists naturally do, an invaluable **act** of service would be assisting us with getting the word out there, particularly via the distribution of material &/or our streaming devices.

- **TOUCH (“Pastors”) – CONSULTING SERVICES** 🤝

As pastors are designed to **touch** and disciple the heart of their flock, in exchange for your [consulting assistance](#) or [ongoing support](#), we offer our in kind personal coaching services.

- **TIME (“Teachers”) – REFERRALS** 🗣️

As teachers instruct, train and equip others with their knowledge and wisdom, referrals would be a key way of taking **time** to build awareness and teach them about what we have to offer.

*So how would you like to join us TODAY? Or, tell us if you have any better IDEAS!*
